

LESS IS MORE!

Our BA-5390A/U is a direct replacement for the older BA-5590/U units. Our new gray battery will give you an additional 50 - 100% run time, meaning you can carry fewer batteries each time you leave camp. If you're powering a PRC-119, you'll get almost twice the run time with our BA-5390A/U.
NSN: 6135-01-517-6060

 BA-5590/U 24 hrs

 Ultralife BA-5390A/U 46 hrs

PRC-119 - Typical Run Time Comparison

BA-5390A/U Benefits:

- 50 - 100% more run time than older BA-5590 battery
- State-of-Charge indicator
- Safe, non-pressurized system
- Up to 10 year shelf life
- CDD indication displays when battery is ready for disposal
- Lower operating cost
- Carry, inventory and manage fewer batteries

Would you rather carry more... or less?
