

ULTRALIFE®

DESIGNED TO MIL-PRF 32383/3

BB-2590/U

P/N: UBBL10-01

- Designed to meet the MIL-PRF 32383/3 certification!
- Higher rate capability and smaller case compared to previous UBI-2590 versions
- Stronger design, lighter weight and immersible
- Has higher capacity than UBBL10 (225Wh)
- Has SOCI and SMBus capability
- Designed to be completely interoperable with all of the current XX90 accessories and chargers, including 2-bay and 6-bay AC chargers and solar chargers
- The same reputation, ruggedness and quality you expect from Ultralife!
